

## RECOMMENDED CLOTHING AND EQUIPMENT LIST

- Lightweight clothing that can easily be rinsed out and dries quickly.
- Dress is casual throughout Madagascar.
- You may consider bringing some clothing that may be discarded at the end of your trip – the local community or staff particularly well receives these clothes.
- T-shirts
- Shorts
- Comfortable trousers for evenings and cooler days
- Fleece jacket for cooler nights
- Raingear
- Bathing suit
- A pair of comfortable hiking shoes or a pair of sandals, (such as “Tevas”), for walking around at camp, also for coastal hikes and for boat transfers where your shoes may become wet.
- Some people wear water shoes on marine outings.
- Cap or hat for the Sea Kayak Adventures
- Sunglasses
- We have good-quality torches at camp, but they are heavy. A light flashlight or headlamp can be useful.
- Insect repellent (30 - 50% DEET product)
- Sunscreen (waterproof with factor 30+)
- We have snorkeling equipment at the lodge but you are welcome to bring your personal equipment, if you have.
- A good book
- Camera
- Binoculars (optional)
- Personal toiletry kit. We provide soap and shampoo but no not conditioner.
- Personal medical kit in a small, airtight container with:

- Plasters
- Iodine
- Motion sickness tablets
- Antiseptic cream
- Antihistamine cream
- Pain relieving tablets
- Muscle relaxant tablets
- Indigestion tablets
- After-sun cream
- Eye drops
- Medication for upset stomachs
- Rehydration powder
- Any personal medications
- “Swiss army” knife or equivalent
